Sheet 3 of 3

Ms. Stolz anticipates the fundraising to start in the next few months; she was hoping that there will be a few major donors that will step forward and commit to the project. She stated she has been laying the ground work for this project the last three or four years.

A straw poll vote was taken; Mr. Bierce stated if the community contributes millions of dollars, then he believes they would be willing to pay for additional costs for maintenance. Mr. Kara stated the library is an important part of the community and adds to the quality of life. Ms. Brown stated the future Common Council will not be bound and looks forward to seeing what the foundation can do. Mr. Wamser stated if the level of funding between the city and village would change, he'd be all for it. Mr. Grosch stated if the foundation can raise the funds it shows the community wants it although he doesn't feel the maintenance costs are realistic and Mr. Bergman stated he hesitates based on the numbers provide. He thought they were understated.

7.0 Discussion and Possible Action Regarding the **Conditional Approval** of the Certified Survey Map by James Craig Builders to Divide their Property on Swan Road into Four Lots (PWC 0876-998-002) (Plan Commission 11/17/16)

Mr. Weigel stated the Plan Commission supported the proposed rezoning but he noted it should be contingent upon fixing small technical issues, satisfying the storm water management plans and payment of outstanding special assessments due at the time of signing the Certified Survey Map. Mr. Bergman asked if the small technical items included the right-of-way. Mr. Weigel stated it did. Mr. Bergman also asked if all the homes have to connect to water. Mr. Weigel stated only the new homes would have to connect to the water but the existing homes have to pay off the special assessment.

A motion was made and seconded, (B. Bergman, J. Wamser) to conditionally approve the certified survey map based on staff's recommendation, to correct the right-of-way issues, grading and storm water management requirements and other engineering requirements and the payment of outstanding special assessments associated with the improvement in Swan Road. Motion Passed: 5-For, 0-Against.

8.0 Proposed 16/93 Park Development of the Scott and Laurie Stollenwerk Property at N17 W25081 Bluemound Road (PWC 0948-995) and James and Jody Kanter's Property at N17 W25045 Bluemound Road (PWC 0945-989-001) (CTH JJ)

8.1 Concur with the Plan Commission (10/15/15 & 11/17/16) to **Approve Ordinance 16-27** to Rezone the Stollenwerk Property from A-2, Agricultural to M-6, Mixed Industrial Use and **Ordinance 16-28** to Rezone the Kanter's property from Rs-1, Single-Family Residential to M-6, Mixed Industrial Use

8.2 Concur with the Plan Commission (11/17/16) to Conditionally Approve the Certified Survey Map (CSM) by Laurie Stollenwerk to Divide her Property into Three Lots

In attendance: Acting Chairman S. Bierce, C. Coursin, T. Janka, D. Linsmeier, S. Sullivan and C. Wunder. Also present were CDD/City Planner H. Clindenbeard, Assistant City Engineer M. Wagner, Building Services Director K. Woldanski and Deputy Clerk A. Hurd.

1. **Call to Order and Pledge of Allegiance – Acting Chairman Bierce called the meeting to order at 7:00 PM noting a quorum was present and requested everyone stand for the Pledge of Allegiance.**
2. **Discussion and Action Regarding a Petition for a Rezoning PUBLIC HEARING for James Craig Builders to Rezone Their 10.8 Acre Property Located at W241N4270 Swan Road from A-2 Agriculture to Rs-2 Single-Family Residential in Order to Create Four Lots Served by On-Site Sanitary Sewerage Systems and Private Wells. (PWC 0876.998.002).**

Mr. Clindenbeard stated there was a standard CSM for a four-lot subdivision of land for this property. He noted that an additional seven feet of right-of-way on Swan Road was dedicated on the CSM, per the City Engineer's request. The CSM shows the change of lot lines to make sure each parcel is a minimum of two acres. Mr. Clindenbeard stated assessments will be due on the property at the time of Common Council approval.

Assistant City Engineer Magdelene Wagner stated the Engineering Department would have to look at the grading permit. The special assessments for the road and the water would be due prior to the execution of the CSM. She was unsure if the setbacks were being met on the pole barn for the existing buildings, as it looked like it was only 31 feet for the rear yard instead of 35 feet.

Acting Chairman Bierce opened the public hearing at 7:10 PM and asked if anyone in the audience wished to speak on this matter.

Mr. Gerald Anderson (W242N4251 Swan Road) stated he lives across the street from the project and at one point he asked the City if he could build on his property behind his house and was told what he did not have the frontage that is needed and that he couldn't have just a driveway going back. The City's frontage and setback requirements were then discussed.

There being no one else who wished to speak, Acting Chairman Bierce closed the public hearing at 7:13 PM.

A motion was made by Mr. Janka and seconded by Mr. Linsmeier to recommend approval of the rezoning subject to the grading approvals by the Engineering Department, the assessments being paid, and the depth being adjusted on lot 3 so that the pole barn meets the 35 foot required setback. The motion passed unanimously.

3. **Discussion and Action Regarding a Certified Survey Map for James Craig Builders to Divide Their Property Located at W241 N4270 Swan Road Into Four Lots (PWC 0876998002).**

Discussion took place during item #2 discussion on the rezoning.

A motion was made by Mr. Linsmeier and seconded Mr. Janka to recommend approval of the certified survey map provided the setback requirements are being met for lot 3. The motion passed unanimously.

WHEREAS, the Common Council of the City of Pewaukee, Waukesha County, Wisconsin, deems it a priority to act in the interest of public safety within our community, particularly in the interest of our children: and

WHEREAS, all convicted child sex offenders have proven themselves to be dangerous²; and

WHEREAS, research in this area has established sex offenders are rearrested for sex crimes four times more frequently than non-sex offenders³; and

WHEREAS, the reduction of crime and criminal recidivism are inextricably linked to public safety within our community; and

WHEREAS, the risks posed by sex offenders against children, are nationally recognized in such landmark legislation as the 1994 Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act; 1996 Megan's Laws; and the 2006 Adam Walsh Child Protection and Safety Act; and these risks are also recognized by legislation in every State in the United States of America including Wisconsin; and

WHEREAS, the Common Council finds that the data concerning child sex offenders is horrific and demonstrates the need for action, including the following⁴:

- “sex crimes are unfortunately fairly common in the United States.”
- “It is estimated that one in every five girls and one in every seven boys are sexually abused by the time they reach adulthood.”

¹ Sex Offender Management Assessment and Planning Initiative, July 2015, “This includes offenders returning to the community upon release from incarceration as well as offenders who are serving or who have been discharged from community-based sentences.”

² Kester, 2013 WI App 50, ¶ 30.

³ Sex Offender Management Assessment and Planning Initiative, July 2015, Langan, P., Schmitt, E., & Durose, M. (2003). Recidivism of Sex Offenders Released from Prison in 1994.

⁴Center for Sex Offender Management (CSOM) statistics. CSOM is a collaborative effort of the U.S. Department of Justice, Office of Justice Programs, the National Institute of Corrections, the State Justice Institute, and the American Probation and Parole Association, and these quoted statistics are from its “Fact Sheet: What You Need to Know about Sex Offenders”.

- “Children are particularly vulnerable. Approximately 67% of all victims of reported sexual assaults are under the age of 18, and more than half of these victims are under the age of 12.”
- “Most sexual offenses are committed by someone the victim knows ... or acquaintance.”
- “No single factor or combination of factors can fully explain why someone offends sexually, though some factors may combine to increase people’s tendency to offend. These factors are ... [physiological, sociocultural, developmental] and situational/circumstantial (e.g. having easy access to victims...).”
- “About 12% to 24% of sex offenders will reoffend.”

WHEREAS, the Common Council also finds these statistics of the U.S. Department of Justice to be shocking and a call to action⁵:

- “Approximately 1.8 million adolescents in the United States have been victims of sexual assault.”
- “An estimated 60% of perpetrators of sexual abuse are known to the child but are not family members, e.g. family friends, babysitters, child care providers, neighbors.”

WHEREAS, in September of 2015 the State of Wisconsin Department of Corrections conducted an extensive study of sex offender recidivism between 1997 and 2010, and found that in total there were 631 instances (4.9% of all releases) of sexual re-offending, and the top two types of re-offense were second degree sexual assault of a child (103 offenses), first degree sexual assault of a child (100 offenses); and within the top 10 re-offenses also were sex with a child ages 16 or older (46 offenses) and repeated sexual assault of the same child (33 offenses); and the study concludes that of all the repeat offenses committed by sex offenders, “sex offenses that specifically reference children represent a greater proportion of the whole;”⁶

WHEREAS, data within the City of Pewaukee may not provide a large enough sample size for statistical analysis, however, there is no reason to believe the outcomes would be different in the City than were demonstrated statewide by the Department of Corrections data; and

WHEREAS, the creation of Sex Offender Residency Restrictions and Safety Zones by municipal ordinance around locations where children regularly congregate is a reasonable step toward protecting children and deterring recidivism by reducing the opportunity for new offenses within our community; and

⁶ Joseph R. Tatar II, Ph.D. and Anthony Streveler, M.S.W., Sex Offender Recidivism After Release from Prison, Office of the Secretary, Research and Policy Unit. State of Wisconsin Department of Corrections (September 2015).

1 **WHEREAS**, the Common Council has reviewed many studies and reports concerning
2 recidivism of sex offenders and the effectiveness of sex offender residency restrictions⁷,
3 and has been fully advised in the matter; and
4

5 **WHEREAS**, the literature on the subject includes some studies that support the practice
6 of imposing sex offender residency restrictions and others that are critical of the
7 practice; and
8

9 **WHEREAS**, the Common Council finds it to be significant that some of the key studies
10 that have concluded that sex offender residency restrictions have limited effectiveness
11 have added significant qualifications to that conclusion; e.g. in “An Evaluation of Sex
12 Offender Residency Restrictions in Michigan and Missouri,” (Huebner, et al., 2013), the
13 authors generally do not support sex offender residency restrictions, but nevertheless
14 find that following adoption of sex offender residency restrictions “the rate of recidivism
15 for technical violations significantly decreased for Missouri sex offenders...” (id. at 9)
16 and “the number of sex offense convictions did decline...” in Missouri (id. at 10); and
17

18 **WHEREAS**, in review of the residency restrictions of communities throughout
19 Waukesha County and its environs, the Common Council finds that many of such
20 communities have an “original domicile restriction,” which allows each community to
21 take back its own while not adding an additional burden of more than its own sex
22 offenders to its community; such burdens including neighborhood and citizen concerns
23 and responses, risks of recidivism, and potential property value impacts⁸; and

⁷ These include but are not limited to: Recidivism of sex offenders released from prison in 1994, U.S. Department of Justice, Office of Justice Programs, copyright November 2003; The final report of the Commission to Improve Community Safety and Sex Offender Accountability, of the State of Maine, dated January 2004; Sex Offender Recidivism Prediction, Correctional Service of Canada dated October 14, 2004; Recidivism of Sex Offenders, May 2001, Center for Sex Offender Management; Treating Sex Offenders, Wisconsin Lawyer Magazine, October 1994; The Impact of Residency Restrictions on Sex Offenders and Correctional Management Practices: A Literature Review, Marcus Nieto and Professor David Jung, California Research Bureau, California State Library, August 2006; Sex Offenders: You Are Now Free to Move About the Country, and Analysis of Doe v. Miller’s Effects on Sex Offender Residential Restrictions, UMKC Law Review, Spring 2005; There Goes the Neighborhood? Estimates of the Impact of Crime Risk on Property Values from Megan’s Laws, Linden and Rockoff, National Bureau of Economic Research, May 2006; The Effect of Proximity to a Registered Sex Offender’s Residence on Single-Family Housing Selling Price, Goliath Appraisal Journal, July 2003; Sex Offenders, Sexually Violent Predators, Punishment, Residence Restrictions and Monitoring, California Proposition 83, Analysis by the Legislative Analyst; An Evaluation of Sex Offender Residency Restrictions in Michigan and Missouri, Huebner, et al., 2013.

⁸ Property value impacts have been noted in numerous studies, including “The Effect on Proximity to a Registered Sex Offender’s Residence on Single-Family House Selling Price,” Larsen, J., Lowery, K., & Coleman, J. (2003), *The Appraisal Journal*, 71(3), 253-65; and “Neighborhood Tipping and Sorting Dynamics in Real Estate; Evidence from the Virginia Sex Offender Registry,” Wentland, Bain, Brastow, Stoll, Waller, *Social Science Research Network*, April 2013. Property values are only one such impact. Stop it Now, a non-profit organization devoted to sex offender research, offers this advice to those concerned about sex offenders moving into a neighborhood, among others: Create a family safety plan; attend notification meetings; notify the police of suspicious activity; and don’t wait to take action for prevention. At a minimum, this heightened awareness and activity burdens the families and neighbors

1
2 **WHEREAS**, if the City of Pewaukee would not have an original domicile restriction, the
3 City would have open doors for non-resident sex offender residency when other
4 communities have closed doors, inviting a substantial increase in child sex offender
5 placements, with the related adverse impacts on the health, safety and welfare of the
6 City and its residents; and
7

8 **WHEREAS**, the Common Council recognizes the merits, mentioned in some studies, of
9 individualized consideration of the risks and benefits of residency restrictions on an
10 offender-by-offender basis, and the City has carefully considered how it can best
11 provide this individualized consideration, and hereby intends to create an Appeals
12 Board with sufficient jurisdiction to consider the original domicile restrictions to ensure
13 that the ordinance does not banish sex offenders from the City; and
14

15 **WHEREAS**, the Common Council recognizes that it cannot eliminate all risk of child sex
16 offender re-offense, and it must balance all of the competing public policies, but intends
17 by these regulations to strike the legislative balance that is appropriate for the
18 circumstances of the City of Pewaukee; and
19

20 **WHEREAS**, it is not the intent of this ordinance to banish sex offenders from residing
21 within the City of Pewaukee, and careful attention has been given to ensure that there
22 are ample locations for sex offenders to reside within the City of Pewaukee in
23 compliance with the requirements of this ordinance:
24
25

26 **NOW, THEREFORE, THE COMMON COUNCIL OF THE CITY OF PEWAUKEE,**
27 **WAUKESHA COUNTY, WISCONSIN DOES ORDAIN AS FOLLOWS:**
28
29

30 **SECTION 1:** Chapter 6 of the City of Pewaukee Municipal Code entitled, "Public Peace
31 and Good Order," Section 6.035 entitled, "Sexual Offender Residency Restrictions;
32 Child Safety Zones," Subsection (1) entitled "Purpose and Intent" is hereby repealed
33 and re-created as follows:
34

35 **(1) PURPOSE & INTENT**

36 This chapter is a regulatory measure aimed at protecting the health and safety of
37 children in Pewaukee from the risk that convicted sex offenders may reoffend in
38 locations close to their Residences. The Common Council has closely
39 considered this question and had made numerous findings and expressions of
40 intent within the preamble to the Ordinance which adopts this Code Section
41 which are incorporated herein by reference. The City of Pewaukee finds and
42 declares that sex offenders are a serious threat to public safety. When convicted

where sex offenders are placed, and collectively this burdens the City staff and resources, for every Sex Offender placement.

1 sex offenders reenter society, they are much more likely than any other type of
2 offender to be rearrested for a new rape or sexual assault. Given the high rate of
3 recidivism for sex offenders and that reducing opportunity and temptation is
4 important to minimizing the risk of reoffense, there is a need to protect children
5 where they congregate or play in public places in addition to protections afforded
6 by state law near schools, day-care centers and other places children frequent.
7 The City finds and declares that in addition to schools and day-care centers,
8 children congregate or play at public parks.
9

10 **SECTION 2:** Chapter 6 of the City of Pewaukee Municipal Code entitled, "Public Peace
11 and Good Order," Section 6.035 entitled, "Sexual Offender Residency Restrictions;

1 **SECTION 3:** Chapter 6 of the City of Pewaukee Municipal Code entitled, "Public Peace
2 and Good Order," Section 6.035 entitled, "Sexual Offender Residency Restrictions;
3 Child Safety Zones," Subsection (2) entitled "Definitions," Subsection (b) entitled,
4 "Offender" is hereby repealed and re-created as follows:
5

6 (b) **Offender** shall mean: is a person who has been convicted of or has been

18 **SECTION 4:** Chapter 6 of the City of Pewaukee Municipal Code entitled, "Public Peace
19 and Good Order," Section 6.035 entitled, "Sexual Offender Residency Restrictions;
20 Child Safety Zones," Subsection (4) entitled "Original Domicile Restriction," is hereby
21 repealed and re-created with the heading "Original Domicile Restriction; and Appeal" as
22 follows:
23

24 **(4) ORIGINAL DOMICILE RESTRICTION; AND APPEAL**
25 Original Domicile Restrictions; and Appeal.

26 (a) In addition to and notwithstanding the foregoing, but subject to the
27 residency restrictions above, no offender and no individual who has been
28 convicted of a sexually violent offense ~~and/or a crime against children~~
29 shall be permitted to reside in the City of Pewaukee, unless such person
30 was domiciled in the City of Pewaukee at the time of the offense resulting
31 in the person's most recent conviction for committing the sexually violent
32 offense ~~and/or crime against children~~. "Domicile" shall mean an
33 individual's fixed and permanent home where the individual intends to
34 remain permanently and indefinitely and to which whenever absent the
35 individual intends to return, except that no individual may have more than
36 one domicile at any time. Domicile is not a residence for any special or
